

# Queens Birthday weekend

## At “HECKFIELD” Jacobs Well

27.45.7 S-153.20.1 E 10/28 and 18/36 both gravel 700 meters. FQ. 126.7

This year the Old Station at Raglan is NOT staging a fly-in so The Gold Coast Sports Flying Club at Heckfield is extending a warm welcome to all flyers to celebrate the weekend and at the same time also invite the local community to come and see what we are all about as flyers and that “Recreational sports” flying has come a long way in the last few years and that we are safe and responsible aviators.

We have plenty of camping under the wing or in our hangars and new clubhouse have toilets and showers and for those wanting to go to Surfers and stay we have transport and can organize accommodation. If you drive in with Caravans there is room at Jacobs Well Caravan Park 3 km away. Plenty of food and drinks will be on sale as well as a 3 course Saturday night dinner with entertainment. Fuel and oil will be available.

Come and help us make this an unforgettable weekend. We will appreciate if you could call our secretary Jan Aldred with an ETA for the sake of catering on 07- 5546-1813.
